FOREWORD

Having previously had the pleasure of owning a Boxer from Lambda Kennel lines we were again fortunate to be able to turn to Arthur and Lionel for a successor.

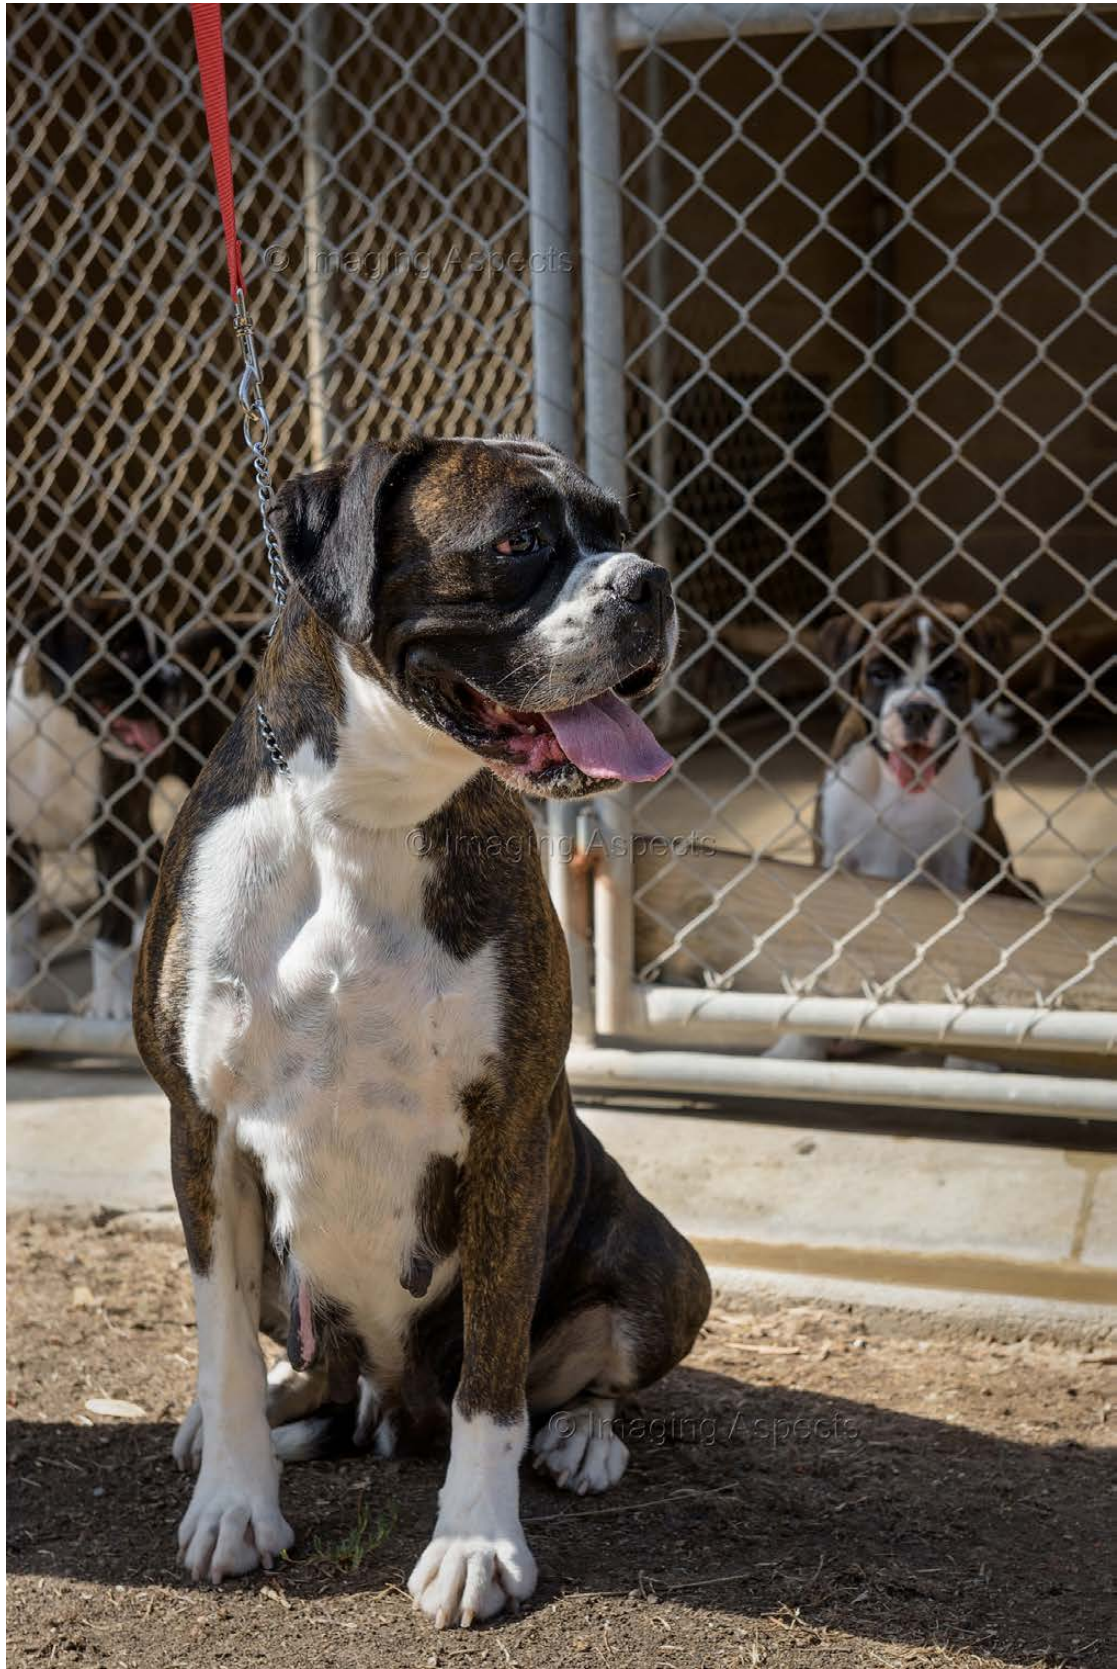

Visiting and socialising with the new litter and parent in Sunbury over the course of three months became an unexpected bonus. These photos capture the last of our visits prior to Kira (Lambda read my mind) setting out on her journey to our home.

This reportage also serves to document the excellent operation at Lambda and is presented in appreciation to Lionel and Arthur.
